

SESSIONS HOSTED BY INDUSTRY EXPERTS

In support of the industry and to help other professionals meet their CPD requirements, we have developed a selection of complimentary CPD sessions, hosted by our expert consultants.

These sessions can be delivered face-to-face or online to teams of four or more, at a time that is convenient to you, and can be tailored around your own current projects, if required.

We currently have eight CPD sessions available, each lasting 15-20 minutes plus Q & A.

The When, Why and How of Ecology

- Protected & Invasive Species
- Legislation & Licensing
- Key timings
- When to instruct an Ecologist

Developing with Nature in Mind

- Building with Nature
- How to successfully incorporate Green Infrastructure

Right Tree, Right Place

- How to successfully design trees into your long-term landscapes
- Your duty of care
- Managing your trees for the future

Carbon and the Built Landscape

- How to monitor carbon in the built landscape
- Carbon registration and credits

Funding for Trees

- Funding for trees in a dynamic market
- What does a successful application look like?

Planting Healthy

- Tree health, pests and diseases
- Planting healthy in woody species

The Value of 3D Design

- 2D vs. 3D Design
- How to achieve the best outcome from your designs

Plant Tour & Breakfast

- Take a tour of our 23-acre plant centre and nursery and enjoy a complimentary breakfast in our Michelin recommended Yurt restaurant.
