

NICHOLSONS

WE ARE RECRUITING SENIOR WOODLAND MANAGER

Are you an experienced forester seeking new challenges? We are looking for Senior Woodland Manager to join the Corby branch of our Woodland Management Division. You will be welcomed into a friendly team with a wide breadth of experience and specialist interests. There is great potential for you to utilise your skills and experience by contributing to both team and business development and supporting a highly varied and interesting client base. Working alongside other seniors in the woodland management team, you will take the immediate lead on new and existing instructions, undertake line management, mentoring and coaching of less experienced foresters and look to secure new instructions.

40 hrs per week, Monday to Friday | Salary £45,000 - £55,000

A company vehicle | Training, development & industry representation

Based in Corby, Northamptonshire | www.nicholsonsgb.com

Key Responsibilities

- Developing the Forestry division, delivering comprehensive services that exceed client expectations.
- Managing some of the finest lowland forestry estates in the country.
- Assessing, pricing, planning and executing forestry contracts and management services, obtaining necessary permissions.
- Preparing management plans, securing grant aid and overseeing the day-to-day management of clients' woodlands.
- Collaborating with colleagues to identify new opportunities for woodland owners, such as agroforestry, carbon initiatives and Continuous Cover Forestry (CCF).
- Fostering employee development within the division, providing guidance and support to nurture their potential.

Successful candidates will:

- Have a passion for the protection and enhancement of our planet.
- Demonstrate expertise in forestry management with a track record of success in the field.
- Exceptional communication and interpersonal skills, enabling you to work effectively as part of a team and build strong client relationships.
- Ability to work independently, demonstrating self-motivation and initiative to achieve outstanding results.
- Proven experience in securing permissions and managing contracts, ensuring adherence to regulations.
- A passion for continuous learning and staying updated on industry trends and best practices.
- Be chartered or working towards chartered status.
