

NICHOLSONS

WE ARE RECRUITING SENIOR ECOLOGICAL CONSULTANT

Nicholsons are recruiting for an experienced Senior Ecological Consultant to lead the ecology team and deliver on all aspects of survey work and client projects, whilst expanding experience and skills in ecological surveying, species licencing, mitigation and project management.

*40 hrs per week, Monday to Friday | Salary £35,000 - £40,000 dependent on experience
Based in North Aston, Oxfordshire OR Corby, Northamptonshire | www.nicholsonsgb.com*

The role will encompass:

- Undertaking habitat and protected surveys using current industry guidance and best practice.
- Preparation of reports, including more technical aspects of planning work such as input into EIA documents, Habitat Regulations Assessments, and engagement with stakeholders.
- Preparation of fee proposals including more complex scopes of work for larger, multidisciplinary projects.
- Project management, to include delegation, supervision and mentoring of consultants, assistants and graduates, as required.
- Quality control of documents prepared by other consultants, assistants or graduates, or such documents deemed suitable by the line/project manager.
- Undertake management of the Nicholsons Ecological Department.
- Line management of consultants, assistants and graduates.

Successful candidates will:

- Have a passion for the protection and enhancement of our planet.
- Demonstrate team leadership skills.
- Hold a degree in ecology, environmental science or similarly related subject.
- Hold at least one protected species licence.
- Have experience in being a named ecologist or accredited agent within a species mitigation licence.
- Be a full member of CIEEM or eligible to apply with support from Line Manager or other third party.
- Be computer literate with strong Microsoft Office skills.
- Have strong verbal and written communication skills and demonstrate a flexible and enthusiastic approach to all projects and tasks.
- Hold a full UK driving licence.
