Allergen and Dietary Information

If you have a food allergy, please ask a member of staff for advice before ordering. We cater for all dietary requirements where possible and will endeavour to change dishes to suit and can offer gluten free bread alternatives from Knife and Fork Bakery in Deddington, just ask your server.

Be aware we are not a nut and gluten free kitchen; we unfortunately cannot guarantee there will not be traces in our dishes. Our fryers are shared but we do separate fish products and do not cook gluten in them.

Please note some of our cheese may not be suitable for vegetarians, please ask a member of staff for more information.

Although thorough care has been taken, small bones may remain in fish dishes and shot in game.

Our menu is labelled with the following allergens in our dishes:

Wherever possible, our food is either foraged, locally-sourced or harvested from our own kitchen garden. By using suppliers like North Aston Organics and North Aston Dairy, we aim to keep our food miles low. We support local farmers, day boat fisherman and use seasonal produce to bring you fresh, sustainably sourced food all year round. Please see our suppliers board for more information on who we work with. Please be aware, given that we are a small team that cook each dish fresh every day, there may be a slight wait at peak times.

This menu is printed on 100% recycled paper.
